## *Foreword*

FOR ONE HUNDRED AND FIFTY YEARS, THE EARTH'S "HUDDLED MASSES YEARNING TO BREATHE FREE" HAVE POURED INTO THIS PROMISED LAND THROUGH THE WELCOMING PORTALS OF OUR EASTERN SEABOARD. THEY CAME FIRST FROM NORTHWESTERN EUROPE IN COUNTLESS NUMBERS, AND WHEN THIS SOURCE FAILED, SOUTHEASTERN EUROPEANS REPLENISHED THE STREAM. THROUGH OUR GOLDEN GATE ON THE PACIFIC, HUNDREDS OF ORIENTALS FLOCKED TO WORK ON THE RAILROADS AND LATER TO RECLAIM THE DESERT. EACH NATIONALITY BROUGHT GREAT CONTRIBUTIONS TO AMERICA'S TRUTH, BEAUTY, AND HAPPINESS. THE NATIVE-BORN AMERICANS WERE THEN TOO BUSY EXPANDING TERRITORY, EXPLOITING RESOURCES, AND SOLVING THE PROBLEMS OF A BABY DEMOCRACY TO CONSIDER FOREIGN INFLUENCES. RECENTLY, HOWEVER, IT HAS BECOME VITAL FOR US TO DROP OUR POLICY OF ISOLATIONISM. THE REDUCTION OF TIME AND DISTANCE AS IMPORTANT FACTORS OF COMMUNICATION HAS BROUGHT LITTLE FOLK OF ALL LANDS INTO CLOSER CONTACT. MODERN SOCIAL WORKERS AND STUDENTS OF ECONOMICS HAVE FOUND IT NECESSARY TO STUDY NOT ONLY DOMESTIC ISSUES BUT ALSO WORLD NEIGHBORHOOD RELATIONSHIPS. AS A MATTER OF FACT, THE AVERAGE CITIZEN TODAY FEELS A GREATER BOND OF FELLOWSHIP BETWEEN HIMSELF AND ALL HUMANITY. IN THIS BOOK, WE HAVE TRIED TO EMPHASIZE THOSE INFLUENCES THAT HAVE CONTRIBUTED TO THE BUILDING OF OUR HERITAGE AND TO CAPTURE THAT "ONE FROM MANY" SPIRIT THAT HAS PRODUCED THIS, OUR COUNTRY.

## *Faculty*

WHILE THE OCCIDENTAL TRIBES STILL WANDERED ABOUT IN A PASTORAL AGE, THE ORIENTALS HAD DEVELOPED A HIGH PLANE OF CIVILIZATION. THE UNEDUCATED MASSES HAD A GREAT RESPECT FOR THE LEARNED MAN. THIS FEELING IS SO GREAT IN CHINA THAT IN BUSY SECTIONS OF CITIES THERE ARE SHRINES TO THE WRITTEN WORD, CONSISTING OF A CONTAINER INTO WHICH ANY SCRAP OF PAPER BEARING CHARACTERS IS DEPOSITED. OUT OF THE ORIENTAL WORLD WITH ITS REVERENCE FOR THE LEARNED MAN CAME THREE OF THE TEACHERS WHO HAVE HAD THE GREATEST INFLUENCE ON THE THINKING OF MANKIND: BUDDHA, CONFUCIUS, AND CHRIST. THESE MEN TAUGHT THE VIRTUES OF PEACE, OF BROTHERHOOD, OF THE GOOD LIFE. NO ONE EVER HOLDS A DOUBT THAT WITHOUT OUR TEACHERS, CIVILIZATION, AS WE KNOW IT, COULD NOT CONTINUE. WHAT IT HAS DEVELOPED FROM THE TEACHINGS OF THE PAST, WHAT IT WILL BE MUST JUST AS SURELY DEPEND ON THE TEACHERS OF THE PRESENT.

## *The Teacher in War Time*

I must use a plowshare; you have grasped the sword,  
We two now will labor, sparing breath and word.

Mine the work with children; yours, with boys and men,  
I shall till the home soil with figures, craft, and pen.

You will vanish in the mist, bound for God-knows-where;  
I will shake the schoolhouse stove, warm the narrow air.

We shall think on God at dawn, thank the Lord at night,  
Pray for you and every friend winning his grim fight.

We shall watch the clods grow green with ageless Love and Truth,  
You men will put your swords in play with stark and angry ruth.

There will come a day of rest, for you and all your men:  
Come home, Sam, come home again; use my plowshare then.

*World Fellowship* This holocaust of war which we have known for three and a half long years has done much to convince most Americans that it is high time the peoples of the world learn to live together in peace and brotherhood. Faced with the alternative of the frightful extermination of human beings in the event of another world conflict, we recognize the necessity for mutual understanding and appreciation among nations and races. Consciously we reject the theory of "master races" and accept the doctrine of the divinity and the brotherhood of man. Eagerly we search for the means that will enable us to develop that brotherhood. Dimly we perceive that it must be based upon mutual respect, and respect we know is the result of a full realization of the achievements, contributions, and ideals of a people. Thus our very existence depends upon our studying and understanding our neighbors and to that end we must dedicate time and energy. Our people must know the language, art, culture, customs and attitudes of other peoples. This is our personal obligation, and upon our acceptance of this depends our national salvation.

*Mrs. L. Pank*  
VICE-PRINCIPAL

You have a rich, a glorious heritage, Class of 1945! The faith and hope, the courage and initiative, the ideals, the dreams, the cultures of many peoples from many lands have gone into the making of our America. Great are the sacrifices that have been made and are now being made to preserve this heritage for you, a heritage of freedom and opportunity. But such wealth, bought at such a price, brings great responsibility. This tired, cynical world needs your faith, faith in a just and loving God, faith that men can learn to live together as brothers. This fear-ridden world needs your

courage, a courage which faces the great problems ahead admits the difficulties, but marches staunchly onward. This despairing world needs your hope hope in a better future for mankind a better world a hope which can raise men's eyes from the ground and cause them to look up and see the light Give the world your faith your hope your courage your self Only thus can you prove worthy of your inheritance

For a decade it was my happy privilege to live in a community where many of the residents were of Welsh descent. Their fathers had brought to this country a Welshman's interest in music and his eagerness to use language correctly and artistically. Saint David's Day, the old Welsh holiday, they celebrated with eisteddfods or singing festivals. Often they thrilled me with their singing of MEN OF HARLACH and ABERYSTWYTH. My Welsh friends preserved the worthwhile old that with it they might enrich the new

Class of 1945, be proud of the good that you have inherited from other lands and from other people. Use it to perpetuate and enrich an America, strong and glorious. Our best wishes go with you in this noble enterprise

ARE THEY SO INEVITABLY ASSOCIATED AS WITH EIGHTEENTH CENTURY ENGLAND, ARTIFICIAL, ELEGANT, AND WORLDLY IN LONDON, MEN FLOCKED TO THE COFFEEHOUSES WHERE THEY COULD MEET MEN WITH SIMILAR INTERESTS. HERE, ONE HEARD EVERYTHING FROM COURT NEWS TO THE ROBBERY IN THE DARKEST ALLEY. THE FREQUENTERS OF THE COFFEEHOUSES OF FASHIONABLE WEST END LONDON GOSSIPED ABOUT PARIS MODES AND DANCES. IN ST. JAMES' COFFEEHOUSE, THE WHIGS GREW HEATED OVER POLITICS, AND AT LLOYD'S FORERUNNER OF THE PRESENT DAY CENTER OF SHIPBUILDING, MERCHANTS FLOCKED FOR THE LATEST SHIPPING INTELLIGENCE. WILL'S, WHERE THE FAMOUS WITS OF THE DAY MET TO TALK AND TO LISTEN TO THE GREAT AND THE NEAR GREAT OF THE LITERARY WORLD, HAS BEEN CALLED THE FATHER OF MODERN CLUBS. TO ENGLAND, WE OWE THAT AMERICAN INSTITUTION, THE CLUB. THE GREAT DOCTOR JOHNSON HIMSELF WOULD HAVE REGARDED THE MODERN AMERICAN AS A "MOST CLUBABLE MAN." IN OUR SCHOOL, CLUBS ARE AS IMPORTANT TO THE STUDENTS AS THEY WERE TO THE EIGHTEENTH CENTURY GENTLEMEN, THOUGH VERY MUCH MORE INFORMAL. THEY PROVIDE A MEANS OF SELF-EXPRESSION, AN OUTLET FOR CREATIVE ABILITY, THE WAY OF DEVELOPING HOBBIES, AND AN OPPORTUNITY FOR SERVICE. IN FACT, THEY ARE AN INDISPENSABLE PART OF OUR LIFE.

THAT THE ANCIENT GREEKS VERY EARLY

RECOGNIZED THE VALUE OF COMPETITIVE SPORTS AND PHYSICAL TRAINING IS SHOWN BY THEIR NATIONAL GAMES, THE MOST FAMOUS, THE OLYMPICS, DATING BACK TO THE BEGINNING OF AUTHENTIC GREEK HISTORY. THESE GAMES, HELD QUADRENNIALLY, ORIGINALLY CONSISTED OF A SINGLE FOOT RACE BUT LATER THE PROGRAM WAS EXPANDED TO INCLUDE TWENTY-FOUR EVENTS. THEY HELD SUCH GREAT IMPORTANCE THAT IN TIME OF WAR TRUCES WERE DECLARED SO THAT THE GAMES COULD BE HELD. AT FIRST ONLY PERSONS OF PURE HELLENIC DESCENT COULD PARTICIPATE, BUT AFTER THE ROMAN CONQUEST, THE CONQUERORS WERE ALSO ADMITTED. SOON AFTER THIS, THE GAMES BEGAN TO DECLINE AND DIED OUT COMPLETELY IN THE FOURTH CENTURY. IN 1896, HOWEVER, THEY WERE REVIVED IN ORDER TO PRESERVE IN SPORT THE NOBILITY AND CHIVALRY THAT DISTINGUISHED IT IN THE PAST. IT WAS HOPED THAT THE GAMES WOULD KEEP ALIVE THE SPIRIT OF AMATEURISM AND ELIMINATE THE PAID GLADIATOR. THROUGH OUR SCHOOL ATHLETIC PROGRAM, WE ARE TRYING TO ACCOMPLISH THESE SAME ENDS. BOYS AND GIRLS ARE TAUGHT GOOD SPORTSMANSHIP IN ADDITION TO PHYSICAL TRAINING. WE FOLLOW IN THE FOOTSTEPS OF THE GREEKS.

## READING

vs.

## THOMAS PATTON

The Red Knights pried the lid off the 1944 campaign with Thomas Patton as their foe. Charley Thomas sparked the Rocket's running attack with the able help of the veteran line. Scoring a touchdown in every quarter the Knights coasted to a 25 to 0 victory; thus Reading High remained unscored upon by the Patton since the relations began between the schools.

## READING

vs.

## BENJAMIN FRANKLIN

Playing a Philadelphia team for the first time in fifty-three years, the Knights ran into tough opposition against the "Poor Richards" from Benjamin Franklin. Coming back after trailing by a touchdown, the Knights scored a touchdown on a long pass. Ben Markowitz then converted to give Reading a 7 to 6 edge. In the closing minutes, however, two desperate passes gave Ben Franklin the margin of victory, 13-7.

## READING

vs.

## WILLIAM PENN

In their first conference game, the Rockets traveled to Harrisburg to tackle their old rival, William Penn. Benefiting by injuries to three key men in the Reading attack, the Tigers outgained the Knights in the first half. The Knights came back in the second half and played the Tigers on even terms until a fumble set up the William Penn touchdown and the ball game 6 to 0.

## READING vs. ALLENTOWN

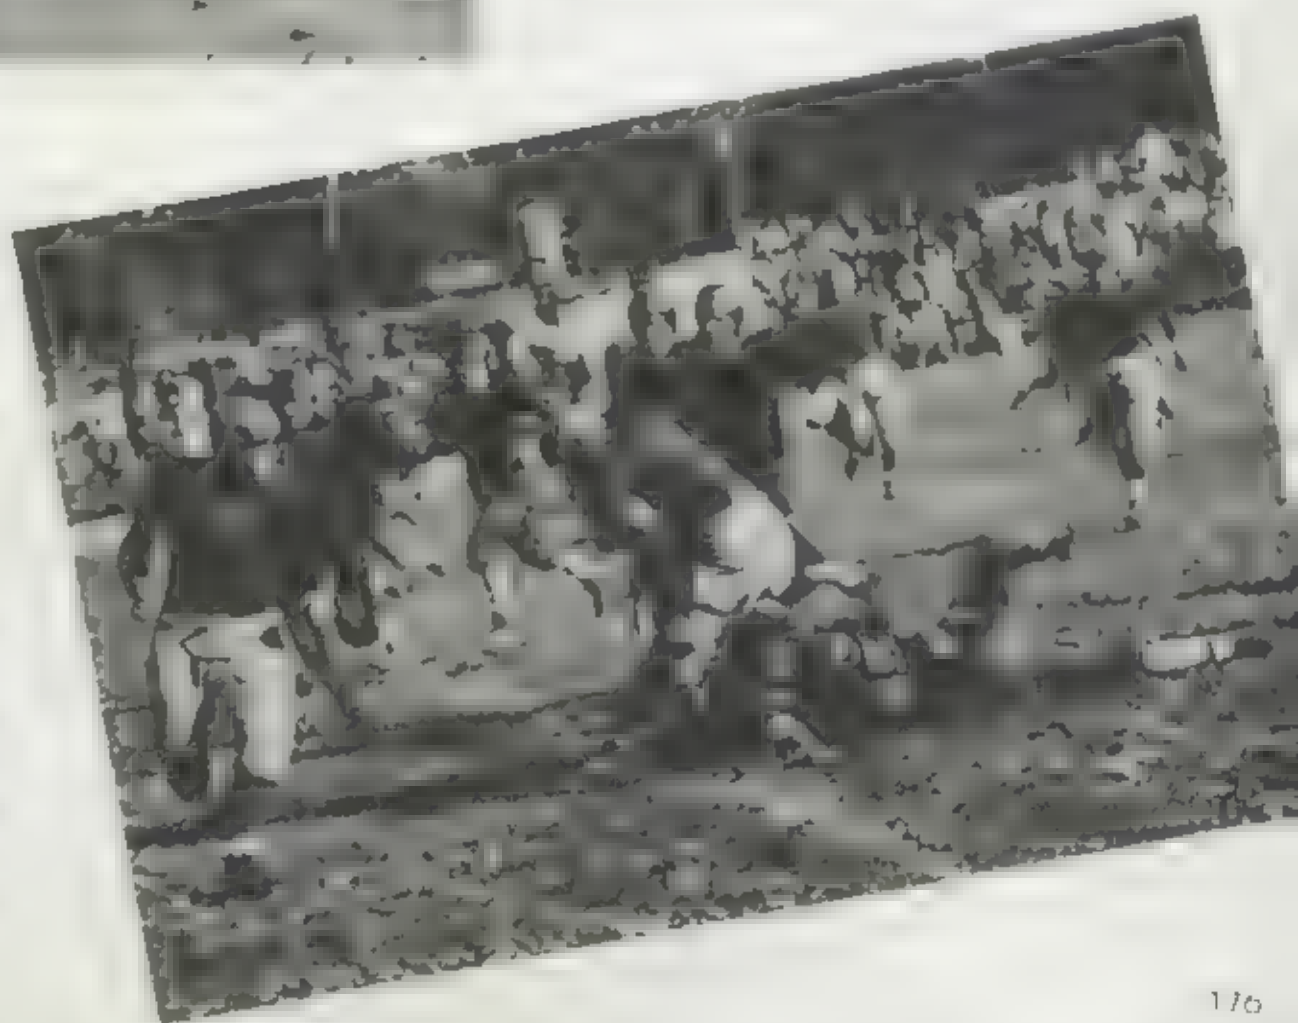

In their second conference game, the Red Knights ran into the powerful Allentown Canaries. The Canaries had a "T" party all afternoon. Flamish and Fischel, two great Allentown backs, ran through the Rocket's defense hitting pay dirt many times. The heavily favored Allentown powerhouse crushed the Knights to the tune of 41 to 0.

## READING vs. BETHLEHEM

The Knights were the guests of Liberty High School of Bethlehem in a mud battle on the host's gridiron. Bethlehem scored touchdowns as freely as the rain fell. Even the Liberty second team scored on the Reading boys. When festivities finally ended, the Red Knights were on the short end of a 46 to 0 score.

## READING vs. YORK

York High spoiled Reading's Booster Day by whipping the Knights 28 to 0. Exhibiting great strength and speed, the York boys piled up two touchdowns in the first quarter and coasted through the rest of the game, scoring once more in the first half and again in the second half. Although the Knights improved as the game continued, the margin was too great to overcome.

## READING vs. LANCASTER

In an effort to continue Reading High's winning streak over the White Roses, the Rockets girded for battle and set sail for Lancaster, only to be sunk by a superior team. The Knights fought doggedly until the final gun, coming through with their first score in conference play. This was not enough as the Lancaster eleven pushed across four touchdowns and two conversions to

## READING vs. LEBANON

A rejuvenated team at the start, the Red Knights set out to defeat a favored Lebanon eleven. After having scored the previous week, the Rockets were out for more. The one thing they didn't consider was the Cedar's defense. The Lebanon rooters went home happy as the Cedars came out on top, 20 to 0

## READING vs. EASTON

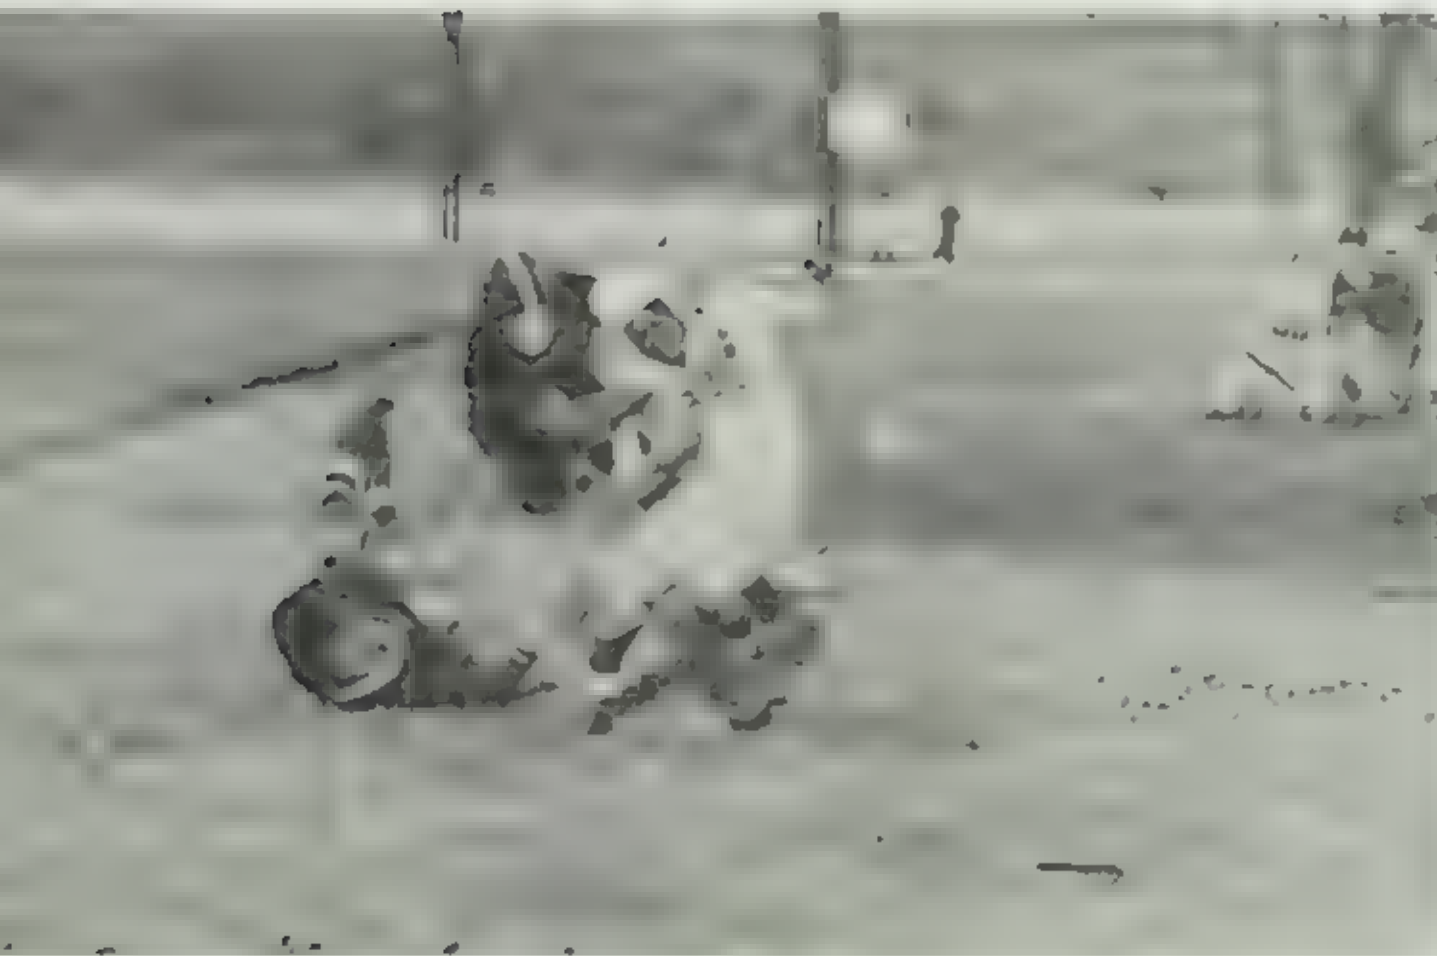

Reading's hopes for a conference victory, on the rise after the Lebanon game, dipped today as the Red Knights ran up against a superior Easton team. The Lehigh Valley boys started by scoring on the first play from scrimmage. Thus, the rout was on, and the Rovers ran up the score to the tune of 32 to 0.

BACK HOME

## READING vs. POTTSVILLE

Closing the season with the annual Turkey Day classic against Pottsville, the Rockets went down for their ninth straight defeat. The Knights outplayed their foe during the first half but in the second half they were the victims of some tricky Pottsville plays. The Raiders were fighting their hearts out for victory but it was not theirs as Pottsville took the game 6 to 0.

# *J. V. Football*

THE J. V. FOOTBALL SQUAD UNDER THE CAPABLE DIRECTION OF MR. ALBERT H. HARRIS GAINED MUCH EXPERIENCE FOR THE 1945 VARSITY. EVEN THOUGH IT WASN'T A WINNING SEASON, THE J.V.'S SHOWED PROMISE FOR THE FUTURE.

# Basketball

Reading High played twenty-one games this season. The Red Knights started out with a bang by jumping into the league lead early in the season. However, the Knights ran into a four game losing streak which sent them to the bottom of the first division. The best game of the year occurred when Lancaster played here late in the season. The game was nip and tuck all the way and the regulation time ran out with the score 38 to 38. A three minute extra period was played during which no score was made. Another three minute sudden death period was played. From the center jump Krause tapped to Gernert who in turn passed to Lillis who made a beautiful back handed shot to win the game 40 to 38. The Knights played five games against Eastern Penn competition but were able to win only one of them, that from Bethlehem 42 to 31. Although we finished in fourth place, we had the honor of having our giant center "Moose" Krause as the individual high scoring champion of the Central Penn League.

## *Track*

Well, here is the track practice field. But where are the candidates and the equipment? This question can be answered in a few words. A track team had not been picked when this book went to press. Coach Boyles will have his boys in fine physical condition to compete in local and foreign competition. Some members of the squad will represent R H S in the annual Penn Relays in Philadelphia. With holdovers from the '44 contingent, the Knights should make a good showing for Reading High this season.

# Baseball

In spring a young man's fancy turns to the national pastime. Yes, baseball time is here again. At going to press, Coach Jacobs has already called for pitchers and catchers to work out. The rest of the squad will be called as soon as the weather permits.

Inclement weather has delayed training and prevented the taking of pictures of players in action. The Knights will begin the season with many inexperienced players in the fold. Bob Snaith, Deacon Dawkins, Eddie Blecker, and Bobby Bucks are the only holdovers from the '44 squad. The Rockets will open the season playing Shillington and Wilson at home, then they travel to Allentown for their first league game.
